1. INCORPORATION BY REFERENCE

The Issuer has published an English translation of the Interim Financial Statements as of June 30, 2016 (the June 2016 Interim Report or IFR 2016).

A copy of the English translation of such IFR 2016 has been filed with the Commission de Surveillance du Secteur Financier and, by virtue of this Supplement, the pages of the IFR 2016 included in the cross-reference table set out in Schedule 1 to this supplement are incorporated by reference in, and form part of, the Base Prospectus. Any information not listed in the cross-reference table set out in Schedule 1 but included in the IFR 2016 is either not relevant for investors or covered elsewhere in the Base Prospectus and shall not be incorporated by reference into the Base Prospectus. Copies of all documents incorporated by reference in the Base Prospectus can be obtained from the Issuer and the Paying Agent in Luxembourg as described on pages 491 and 492 of the Base Prospectus. Copies of all documents incorporated by reference in the Base Prospectus are available on the Luxembourg Stock Exchange's website (www.bourse.lu).

The cross reference table on pages 56 to 58 of the Base Prospectus is updated accordingly, as set out in Schedule 1 of this Supplement.

The English language version is a direct and accurate translation of the relevant French original.

If documents which are incorporated by reference themselves incorporate any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of this Supplement for the purposes of the Prospectus Directive (Directive 2003/71/EC) except where such information or other documents are specifically incorporated by reference or attached to this Supplement.
